• Lawsuit by Gifu City claiming compensation for damages concerning fire accident at the waste processing facility for bulky refuse at the Gifu City Eastern Clean Center

On October 23, 2015, a fire broke out at the waste processing facility for bulky refuse at the Gifu City Eastern Clean Center, which is located in Akutami, Gifu City, Gifu Prefecture, as EBARA Environmental Plant Co., Ltd. (“EEP”), the Company’s consolidated subsidiary, was making repairs on the facility. Please note that EEP is responsible for the operation and management of a refuse incinerating facility that is located next to the bulky refuse processing plant. Regarding this incident, the Company is discussing with Gifu City the compensation for related damages. At this time, it is not possible to make a reasonable estimate of the effect of this incident on the Group’s consolidated performance.

[Supplementary information]

A lawsuit against EEP was filed a lawsuit claiming compensation for damages by Gifu City at the Gifu District Court on January 31, 2019 demanding the payment of ¥4,362 million and delay damages of such compensation, and the Company received the formal petition pertaining to this on February 26, 2019.
